

Kompasset Kirkens Korshær is looking for a project coordinator for our mentor program

Kompasset is a house for unregistered homeless foreigners. We provide a variety of services such as a day shelter with counselling, a night shelter and outreach work. We are looking for a project coordinator for our subproject The Extra Mile – a colleague, who will also take part in the daily work in Kompasset. The position is temporary.

The Extra Mile is Kompasset's employment program, that matches job seeking homeless EU citizens with volunteer mentors since 2014. We collaborate with companies to find internships and jobs for the mentees.

Your tasks as coordinator of the Extra Mile will be:

- Recruit mentees among the users of Kompasset, as well as volunteer mentors and secure a good mentor-mentee match
- Coordinate and facilitate the training of the mentors and assist coaching the mentors through challenges
- Organize workshops for mentors and mentees
- Develop strategic collaborations with partner organizations and employers.

Moreover, you will take part in Kompasset's daily work a few times a week and learn about our users and our counselling work.

We are looking for a colleague with the following qualifications:

- Strong interest in migration and social work
- Empatic, open-minded and structured
- Experience with mentor programs or company partnerships would be preferred
- Speak English and preferably Danish and another European language (Italian, Spanish, Polish or Romanian)
- You are able to work according to Kirkens Korshær's Christian and humanitarian views and
- you are a member of the Evangelical Lutheran Church in Denmark (Folkekirken).

The position is for 30 hours per week and late afternoon work can be expected. The job starts on the 1st of March 2018 or as soon as possible. The position is time limited until the 30th of June 2019.
